

IMPORTANT SAFETY INSTRUCTIONS

Read all instructions before using this appliance. Do not use if the instructions are not followed. Read the instructions carefully. Do not use if the instructions are not followed. Do not use if the instructions are not followed.

WARNING- To reduce the risk of electrical shock:

- Do not touch the power cord, the power switch, or the power plug when the appliance is plugged into a power outlet.
- Do not use the appliance near water.
- Do not use the appliance near flammable liquids or gases.

WARNING- To reduce the risk of burns, fire, electrical shock, or injury to persons:

- Do not crush, disassemble, heat above 100°C (212°F), or incinerate the appliance, due to risk of fire, explosion, or burns.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction, by a person responsible for their safety, concerning the use of the appliance in a safe way and understand the hazards involved. Children should be supervised to ensure that they do not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- This appliance is to be used with the power supply unit provided with the appliance. If the power supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- Use this appliance only for it's intended use as described in this manual. Do not use attachments not specified by the manufacturer.
- Never drop or insert any object into any opening.
- Do not use this appliance with a damaged or broken blade or attachment, as it has the potential to result in facial injury.
- During use, do not place or leave the appliance where it is expected to be subject to damage by animals, or exposed to weather.

SAVE THESE INSTRUCTIONS

For household use only.

WET/DRY USE

This appliance is designed to prevent water ingress into electronics. Warnery is void if trimmer is submerged.

The trimmer is designed to be used with or without water. Do not use your Wahl trimmer in the shower or at the sink unless you are instructed to do so.

NOTE: The trimmer is waterproof. The trimmer will not run with the cord attached to safety.

This symbol, located on the trimmer, indicates that the trimmer is designed for household use only.

RECHARGING

The trimmer is a cordless trimmer. It must be charged before use. Do not use the trimmer if the battery is not fully charged.

Charge your trimmer slowly to power on slow. The charging LED will pulse when charging. LED will remain lit after charging is complete.

The trimmer is conveniently designed for household use. It should be allowed to charge completely for 60 minutes before first use.

To prevent overcharging, transformer and accessories from the packing material should be removed from the trimmer. Do not use the trimmer if the battery is not fully charged.

3. Connect the transformer to the trimmer. BE SURE TRIMMER IS IN THE "OFF" POSITION WHEN CHARGING.

4. Plug the transformer into a power outlet. The trimmer will be charged when the LED will remain lit after charging is complete.

5. The trimmer is a low power. It should be connected to the transformer and plugged into an outlet to assure maximum power is available when it is not used. This transformer is designed to completely charge the battery without overcharging.

6. The battery will be approximately 60 minutes to charge. The Lithium Ion Trimmer also has a quick charge capability. See the manual for more information.
